

360° Cradle-Free Magnetic AC Vent Mount

Setting your phone on a mount in your car has never been easier! No cradle, no bracket and no clamp. AirGrip-2 Mount Holder features magnetic technology, saving you the hassle of placing your smartphone securely and make sure it does not fall out. AirGrip-2 is a space saver you now no longer have to keep your smartphone in the cup holder or dashboard.

Features

-  Cradle-less, magnetic design saves you from the hassle of expanding cradles and unreliable suction cups.
-  Patented prongs fit perfectly onto any car's AC vent blade. You just need to clamp the mount onto AC vent for easy installation.
-  Mount any device including smartphones and tablets for reliable hands-free access.
-  The 360° swivel design allows you to set your perfect viewing angle.
