

PORTABLE HEIGHT ADJUSTABLE RGB GAMING COOLING PAD

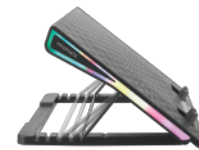

Arctic

LED
Digital Controller

800RPM Fan Speed

6 Levels
Adjustable Height

Make gaming comfortable and performance-driven with this portable gaming cooling pad featuring rainbow color LED lights. With 7 adjustable height settings and fan speed controller, bring out the best in you with ultimate convenience. Arctic features two USB ports, which is used to power the cooling pad and also connect other USB-powered devices. With up to 800 revolutions per minute, the cooling pad ensures your laptop never heats up. The ergonomically designed gaming cooling pad is compatible with laptops up to 17". Time to take your gaming to the next level with the Arctic.

— Features —
