

BIRGER

ComfortStyle™ 15.6" Laptop Backpack

with Large Compartments

Birger combines practical storage options, a comfort-oriented and stylish design that will suit any school or office environment and can be used every day. Thanks to its padded mesh shoulder straps, polyester-lined interior, and massive compartment that can fit up to 15.6" laptops, Birger offers maximum comfort during use and also superb functionality. In addition, it also features a front zipper and two quick access pockets to maximize convenience.

Features

ComfortStyle Design

The design of Birger is stylish but also provides superb comfort. The design showcases professionalism that would fit right into any office environment.

Padded Laptop Pocket

Birger offers fully padded compartments, to reliably protect your laptop while you carry it around every day.

Supports 15.6" Laptops

The large laptop compartment has enough room to hold full-size laptops up to 15.6".

Soft Mesh Straps

The soft padding in the straps, back, and bottom, along with the mesh cover provides comfort and protects the contents without looking bulky.

Functional Storage

Spacious dedicated storage for laptops and tablets, one front zipper, and two quick access pockets makes Birger extremely functional
