

Bonsai

54W HIGH SPEED WIRELESS Charging Station

38mm 42mm
40mm 44mm

Charge up to 4 devices simultaneously with Bonsai. This wireless charging station tidies your desk and bedside table by eliminating the need for wires. The bold, contemporary design fits flawlessly in any space, from your office to the living room. No more tangled data cables, no need for various charging adapters, no need to worry about insufficient sockets, this 4-in-1 wireless charging station is the ultimate all in one charging solution.

Features

4-in-1 Charging

Charge your everyday accessories with dedicated wireless charging for your Apple Devices and an additional 24W PD Port

Fast charging supported:

Charge your smartphone quicker with 25% faster wireless charging.

24W Power Delivery:

4.5X Faster than traditional chargers, engineered to charge your PD compatible devices from 0-60% in just 20mins.

Anti-Slip Surface:

Anti-Slip pads help secure the device in place while charging on textured or smooth surfaces.

Sleek Aluminium design

Aluminum crafted elegant design fits perfectly well with your iPhone and desk

Case Friendly :

The wireless charging pad can charge through most cases up to 3mm.

Specification
