

Clix-6

Ergonomically Designed 2.4GHz Wireless Mouse

3 Adjustable DPI Levels • Low Power Consumption • 15m Working Range

User Guide

Introduction

Clix-6 Wireless Optical Mouse is an ergonomic and reliable wireless optical mouse. It features an 800/1200/1600 DPI optical sensor for better accuracy and a Nano USB receiver so tiny that you can plug into your laptop or computer and forget about it. The Clix-6 has a working range of up to 15 meters, which is great for home and office use. It also comes with a sleep mode function to turn itself off when it's idle for some time, simply click on any button to wake it up.

Packaging Contents

Features

- **Auto-Sleep Function:** Automatic sleep mode turns the mouse off when you're not using it
- **15m Working Range:** Work comfortably and with ease at your desk or away
- **Precision Tracking:** The high-definition optical sensor with dual DPI which can be changed at the click of a button tracks the mouse's movements with smooth accuracy for optimal performance and productivity
- **Plug & Play:** Simply insert the wireless USB receiver into your device and you'll be up and scrolling quickly as the mouse driver will download and install automatically.
- **Nano Receiver:** The tiny receiver stays in your notebook or desktop without affecting other USB ports.
- **Ergonomic Contoured Shape:** The ring finger and little finger rest provide you extra comfort. The well-designed shape of this mouse seamlessly fits your palm.
- **2.4GHz Wireless Connection:** Using a compact nano receiver, provides the ultimate freedom and mobility for your mouse with a completely reliable wireless connection so you can always be productive
- **Compatibility:** Compatible with Windows® and Mac®

Precautions

Please read all safety instructions and warnings thoroughly before using this product. Improper use of this product may result in damage to this or attached products.

1. Do not disassemble the device or attempt to fix it.
2. Do not attempt to replace any part of this product. Battery is replaceable.
3. Do not crush, puncture or dispose of in fire.
4. Do not store or use the device in a high temperature environment, including intense sunlight or heat.
5. Avoid excessive drops, bumps, abrasions and impacts.
6. If there is any reason to believe that there is internal damage to the device, discontinue use immediately.
7. If you find that the device is too hot, is emitting an odor, or is deformed, punctured or exhibits any suspicious or abnormal behavior, discontinue use immediately and contact our customer service.

Appearance & Interface Description

1. Left Button
2. Forward Button

3. Să inserați receptorul Nano-USB în Desktop-ul sau Laptop-ul D-tra. Drivele se vor descărca și instala automat.

RECICLAREA ECHIPAMENTELOR ELECTRICE SI ELECTRONICE UZATE

Acest simbol prezent pe produs sau pe ambalaj semnifică faptul că produsul respectiv nu trebuie tratat ca un deșeu menajer obișnuit. Nu aruncați aparatul la gunoierul menajer la sfârșitul duratei de funcționare, ci duceți-l la un centru de colectare autorizat pentru reciclare. În acest fel veți ajuta la protejarea mediului înconjurător și veți putea împiedica eventualele consecințe negative pe care le-ar avea asupra mediului și sănătății umane.

Pentru a afla adresa celui mai apropiat centru de colectare :

Contactați autoritățile locale;

Accesați pagina de internet: www.mmediu.ro

Solicitați informații suplimentare la magazinul de unde ați achiziționat produsul

Acest aparat este conform cu standardele Europene de securitate și conformitate electromagnetică

RoHS

Acest produs nu conține materiale periculoase pentru mediul înconjurător (plumb, mercur, cadmiu, crom hexavalent și agenți inflamabili bromurați: PBB și PBDE).

Описание внешнего вида и интерфейса:

1. Кнопка влево
2. Кнопка вперед
3. Кнопка назад
4. Кнопка DPI
5. Колесо прокрутки
6. Кнопка вправо
7. Отсек аккумулятора
