

Universal Mobile SIM & Memory Cards Storage Box with SIM Removal Pin

Long-Lasting 3M Adhesive Pad

All-in-One Storage Unit

SIM Adapters & Sim Card Eject Pin Included

SIM Card Eject Pin

SIM Card Adapters

Ultra-Thin

Pocket-Sized

Designed for frequent travelers, CelluKit is a perfect secure storage tool for mobile SIM cards and microSD cards. It is equipped with three different SIM card adapters and an eject pin. It features a super sticky interior that's made of 3M Grip Pad, which will keep all items safe from spilling out. The drawer is powered by a spring mechanism and will slide open and closed only when pressure is applied. It's smaller than a credit card, which makes it the perfect accessory for anyone who is on the go.
