Civil neckband wireless earphones are designed to energize your exercise with acclaimed high-fidelity sound and a comfortable, stable fit. These sporty earphones not only look stylish but provides seamless Bluetooth V5.2 connectivity. The in-line audio controller and powerful mic, lets you take hands-free calls and control functions easily. Enjoy your music and also wireless listening freedom with Civil.

#### Superior Quality Sound:

The dynamic speaker driver in Civil, delivers powerful bass, mellow midrange, and precise treble, giving you an exceptional listening experience with complete wireless freedom.

#### Liquid Silicone Neckband:

The soft and flexible neckband made of liquid silicone provides you comfortable experience and also makes your daily workout sessions flawless without worrying about earphones falling out.

#### Ergonomic Design:

Ergonomically designed to fit comfortably and stay steady on your ears and neck, Civil can be used for as long as you want during vigorous workouts.

#### Convenient In-line Controls:

Keep music and calls under your control as Civil features a smart in-line controller for hands-free usage.

#### Don't Miss Out on Calls:

Take high-res calls in the middle of any task with the high-grade built-in mic.

#### Brilliant Battery Life:

Boasting a stunning 24-hour playback time and a 300-hour standby time, these neckband wireless earphones will never let you down with low battery life.
