

18 Hours Playback Time Single Headed TWS

Experience the freedom of Truly Wireless Stereo earbuds, outfitted with the latest wireless connectivity technology that ensures quick and stable connectivity. The high-grade microphone provides more transparent, stable conversations. With a playback time of up to 3 hours and an extended playback time of 18 hours with a charging case, let your music play without charging worries.

FreePods

FEATURES

Extended Battery Life

Get up to 4 hours of music playback time per charge and up to 18hrs with the charging case

Led Power Display

The charging case will show the left power while opening or closing the case with a digital power display

Quick Pairing

Both earbuds will automatically connect with your phone, and earphones will auto-connect with your device after the first pairing

Clear Calls Quality

With a built-in high-quality mic in both earbuds and noise isolation technology, FreePods provides stable and clear conversations

High Fidelity Sound

The dynamic speaker driver delivers powerful bass, mellow midrange, and clear treble, reproducing your crystal-clear music.

Comfort-Fit Design

Ergonomically designed to fit comfortably and feel as if nothing's there - so you can keep them in for as long as you want
