

Limber-BP

15.6" Large Capacity

BackPack with **Multiple Compartments**

Limber-BP is the ideal backpack for everyday use as it combines large storage space, multiple compartments, and a comfortable, stylish design. With the padded mesh shoulder straps, polyester-lined interior, and massive compartment that can fit up to 15.6" laptops, Limber-BP offers maximum comfort during use and also superb functionality. In addition, it also features a front zipper and a quick access pocket to maximize convenience.

Laptop Storage

Water Resistant

Light Weight

Tablet Pocket

Secure Zipper

Functional Storage

Comfortable Design

The design of Limber-BP is stylish but also provides superb comfort. The design showcases professionalism that would fit right into any office environment

Supports 15.6" Laptops

The large laptop compartment has enough room to hold full-size laptops up to 15.6"

Padded Laptop Pocket

Limber-BP offers fully padded compartments, to reliably protect your laptop while you carry it around every day

Soft Mesh Straps

The soft padding in the straps, back, and bottom, along with the mesh cover provides comfort and protects the contents without looking bulky

Functional Storage

Spacious dedicated storage for laptops and tablets, a front zipper, multiple compartments and a quick access pocket makes Limber-BP extremely functional.
