

# High Speed Data Sync and Charge USB-C Cable

NerveLink-C

Black

Blue

Grey

Gold

Charge your USB-C devices as well as sync your pictures, movies, and other data at high transfer rates. Experience faster charging than other ordinary cables with 3A charging output. The premium build ensures that you can plug the cable in and out without any worry or hassle. It can easily fit any cable case with ease.

## — Features —

- Charge your USB-C powered devices and sync data at faster speeds using NerveLink-C.
- The cable is exceptionally durable as it is made of high-grade PVC paired with a braided nylon sleeve for toughness.
- The cable is 1.2 meters long and sports a stylish, slim design so that it fits in any case with ease.
- NerveLink-C is compatible with all USB-C supporting devices.

## — Specifications —
