

GaNFast CHARGING STATION 100W POWER DELIVERY with 15W WIRELESS CHARGER

CHARGE 7 Devices
At the Same Time

4x 100W POWER DELIVERY 2x 30W POWER DELIVERY

Qualcomm Quick Charge 3.0

PowerBase-GaN100

Upgrade to super speed 100W charging with PowerBase-GaN100. Featuring Gallium Nitride components this charging station provides an efficient charging experience with less heat and a compact form factor. Equipped with 4 USB-C Power Delivery ports this charging station can rapidly charge 4 power-hungry devices simultaneously at speeds from 30W to 100W. PowerBase-GaN100 features a 15W wireless charging module that perfectly aligns with your compatible devices for super-fast charging. The dual Qualcomm Quick Charge 3.0 ports let you charge compatible devices at 4X faster speeds. Charge in a flash with this single high-speed charging station for all your devices.

- PD 100W Total Output**
Simultaneously charge 7 devices, through the 4 USB-C Power Delivery ports, the dual QC 3.0 USB-A ports, and the Wireless Charger at a total output of 100W
- GaN technology**
GaN components waste less power and produce less heat, thus providing a more efficient charging experience
- 15W Wireless Charging**
PowerBase-GaN100 has a wireless charger that aligns with your smartphone and charges your compatible devices at 15W ultra-fast speeds
- Dual Qualcomm QC 3.0 Ports**
Charge four times faster than conventional chargers at speeds of 30W with dual QC 3.0 ports
- 4 USB-C Power Delivery Ports**
Equipped with 4 USB-C Ports this charging station can rapidly charge 4 power-hungry USB-C devices simultaneously at speeds from 30W to 100W
- Sleek Design**
The elegant and sleek design aligns perfectly with your devices and adds a touch of style to your desk space. It is also compact enough to be easily portable

- Multi Protect System**
- Adaptive Fast Charging**

Specifications:

Input: 100-240V, 50/60Hz, 2.5A Max
Output
 USB-C1: 5V/3A, 9V/3A, 12V/3A, 15V/3A, 20V/5A (100W)
 USB-C2: 5V/3A, 9V/3A, 12V/3A, 15V/3A, 20V/5A (100W)
 USB-C3: 5V/3A, 9V/3A, 12V/2.5A, 15V/2A, 20V/1.5A (30W)
 USB-C4: 5V/3A, 9V/3A, 12V/2.5A, 15V/2A, 20V/1.5A (30W)
 USB-A1: 5V/3A, 9V/3A, 12V/2.5A, 20V/1.5A (30W)
 USB-A2: 5V/3A, 9V/3A, 12V/2.5A, 20V/1.5A (30W)
Total Output: 100W Max

Wireless Charger: 5W/7.5W/10W/15W
Wireless Charging Distance: 8 mm
Wireless Charging Efficiency: 75%
Cable Length: 1.5m
RF Output power: <=20dbm

Packaging Content:

PowerBase-GaN100, AC Power Cord, Userguide
