

7-in-1 Electronic Traveller Kit

uniPlug-QC3 Universal Travel Adapter

Cellukit Sim Card Holder

PowerTank-10 10000mAh Power Bank

A PROMATE C

PentaPower

6-in-1 Hybrid Cable

Robust-QC 30W Car Charger

Make your trips flawless with this portable 7-in-1 travel charging kit. Combining universal travel adapter, 10000mAh

PowerGear

power bank, multi-connector cable, car charger, USB-C, and Lightning Connector cables, multiple SIM and memory cards holder, and a storage case, this travel charging kit keeps you away from any charging issues while traveling. PowerGear is a must-have charging kit for frequent travelers.

— Features —

PowerGear is your ultimate charging kit featuring QC 3.0 Travel Charger, multi-connector cable, power bank, car charger, mobile SIM & memory cards storage box, USB-C and Lightning Connector cables with an EVA storage case.

The charging kit features UniPlug-QC3, which boasts Qualcomm Quick Charge 3.0 port and a USB port with in-built UK, EU, US, and AU plugs.

With PowerTank-10, 10000mAh power bank, charge your QC 3.0-enabled devices with 18W Power Delivery

The charging kit boasts PentaPower, which is a 6-in-1 hybrid multi-connector cable featuring USB-C, Lightning and Micro-USB connectors with 60W PD.

The travel charging kit features Robust-QC car charger with Qualcomm Quick Charge 3.0 port, allowing you to charge your devices four times faster than ordinary car chargers

The travel kit boasts PowerBeam-25i and PowerBeam-25C, charging cables, allowing to charge your Lightning Connector and USB-C supporting devices at faster speeds

Example 6 Keep all the items in the travel charging kit secured inside a stylish, durable case

Designed for travelers, the charging kit features a secure storage tool for mobile SIM cards and microSD cards, CelluKit, to keep all of them in one place.
