ProLink4K60-500

Supporting resolutions up to 4K@60Hz, ProLink4K60-500 HDMI cable provides crisp vibrant video quality without any lag or drop-off. The slim and flexible 5-meter cable is the perfect length to connect your laptop or streaming device to your HDTV or monitor. The gold connectors deliver optimal signal transfer with lower distortion, while the ethernet functionality ensures you can share your Internet connection with multiple devices. ProLink4K60-500 HDMI cable allows you to unlock a new and amazing visual experience with ease.

This HDMI 2.0 cable lets you connect to a monitor, projector or HDTV with astonishing picture quality and resolution up to 4K@60Hz.

This all-in-one HDMI and Ethernet cable can share your Internet connection with multiple devices. No separate Ethernet cable is needed.

Perfect 5-meter length to use with laptops or other devices when you are on the go or even at your desk.

Simply connect to your HDMI-equipped laptop and other devices to enjoy a crystal-clear viewing experience.

ProLink4K60-500 offers an 18Gbps transfer rate that ensures a super immersive experience for gaming or watching movies with no lags.

Tuck this lightweight and slim cable into your bag or pocket so you can connect compatible devices to your corresponding display and watch your media and games come to life, anywhere.

The gold-plated, corrosion-resistant connectors of the ProLink4K60-500, deliver optimal signal transfer with lower distortion at the point of contact.
