

Foldable Laptop and Smartphone Riser Stand

Procooler-1

Give your laptop and smartphone the much-needed place to reside with ProCooler-1. The 2-in-1 foldable laptop and smartphone stand features a 360° rotatable base with height adjustments, to get the best viewing angle while working. The laptop stand easily fits a laptop up to 17". The premium construction with large cutout vents allowing easy air ventilation to keep your devices cool. ProCooler-1 is the perfect accessory you need for your laptop and smartphone.

— Features —

- 360°** The bottom of the laptop stand is 360° rotatable, which means you can rotate the laptop, share it with others, and get the best placement and viewing angles.
- »»»|«««** The laptop and mobile stands boast a super-sleek, premium design that compliments your devices.
- 17"** ProCooler-1 can easily fit laptops up to 17" in size with ease.
- 📖** ProCooler-1 features a foldable laptop stand paired with a mobile stand to keep your laptop and smartphones away from heat.
- 🌬️** To prevent your smartphone and laptop from overheating, the ProCooler-1 features cut out vents allowing air to pass from all sides.
- 📏** The height adjustments will enable you to get the best viewing angle, in turn, improving your posture and laptop's aesthetics.
