

# 30W Car Charger

## with QC3.0 and 3A USB-C port

**30 Watt**  
Power Output

Safe Voltage Regulation

Safe & Reliable

Dual USB & USB-C Port

Charge your devices faster than other conventional car chargers with Scud-C30, a heavy-duty car charger with 2 ultra-fast charging ports and a USB-C charging port. The Quick Charge 3.0 port is engineered to be up to 45% more efficient than Quick Charge 2.0. The USB charging ports built into Scud-C30 adapt to your devices to provide the safest maximum charging output per port.
