

# Dual-Toned Multi-Design Protective Case for AirPods

This dual-toned protective case fits perfectly and protects your AirPods from unexpected damage. The case is designed to perfection as you don't need to take it out even while charging. Specialized silicone coating provides additional grip and doesn't let AirPods fall from your hand.

## Features

- The Flexible impact resistant silicon material protects your Airpod from scratches and external impacts.
- Created for the Apple AirPods, this case will perfectly fit your AirPods adding minimum bulk.
- Precise cut-outs and slim design let you charge the AirPods with ease, even with the case on.
- The specialized coating to the silicon adds additional grip, protecting against accidental drops.
