

Car Wireless FM Modulator With Quick Charge 3.0 Port

Smartune-2+

Experience smart driving with this multi-function car kit with FM transmitter. Simply plug the SmarTune-2+ into your car cigarette lighter socket, and you are ready to go. With built-in microphone, the FM transmitter provides the hands-free function to answer/reject calls. SmarTune-2+ features QC3.0 quick charging port and another USB charging port which also functions as a U disk port for playing music. With multiple connectivity options, including USB flash drive, microSD Card, and Bluetooth, SmarTune-2+ is your exceptional car companion.

— Features —
