

20Gbps Super Speed Thunderbolt 3 Cable

ThunderLink-C20

Do more with a single cable. ThunderLink-C20+ lets you transfer data at 20Gbps and charge at blazing fast speeds of 100W. Enjoy a vivid visual experience when connecting your USB-C laptop with 4K/Ultra HD display support. The cables also have a robust aluminium shell to prevent corrosion and ensure that the ThunderLink-C20+ will outlast all your other USB cables.

— Features —

- supports up to 100 Watts of power output, which can be used for charging and powering USB Type-C chargeable laptops and other compatible devices.
- Experience stable & fast charge function using the ThunderLink-C20+.
- When connecting two Thunderbolt 3 devices, data transfer rates can reach 20Gbps.
- Compatible with all devices supporting USB 3.1 Type-C™ Connector.

Specifications

- Video Output - 4K@60Hz
- IC Chip - VL152
- Data Transfer Rate - 20Gbps
- Total Current - 20V, 5A
- Power Delivery - 100W
- Cable Length - 1.5 meter
- Made from TPE with Aluminum Shell
