

# 3.4A Car Charger With Dual USB Ports

VolTrip-Duo

Black

White

Charge your devices simultaneously using this powerful 3.4A charger while driving. It boasts two USB ports, which provide 2.4A and 1A simultaneous charging output. The car charger has a solid design that will seamlessly blend in with your car's interior. VolTrip-Duo is a perfect companion on roads.

## — Features —

- The ultra-fast dual USB ports allow you to charge devices simultaneously without worries.
- The charging ports adjust according to the device being charged for providing the safest output.
- The stylish charger blends with your car interior because of its carbon fibre design.
- The car charger features a smart circuit, which protects your device against overcharging and short circuit.
- You can charge two devices simultaneously with 2.4A and 1A USB outputs.
- VolTrip-Duo is compatible with all USB-powered devices.
