

Ornamental Hearts Templates & Pattern

by Theresa Pulido

Use on gift boxes, as ornaments, to frame a photo or as an accent on a scrapbook or mixed media design.

Place on
Fold to
Trace &
Cut

Instructions:

Trace outline on folded canvas and cut out.
Secure edges with fast-drying glue like Quick Grip.
Let dry completely.
Frame with matching or contrasting ribbon or fabric strips.
Locker hook outline with ribbon pulling up higher loops for an accent or filling in as desired.
Locker hook heart body. Sew in tails

Materials:

Small Heart

5-Mesh Canvas
1 1/2-2 yds strips or ribbon to frame
2 yds Ribbon for large loops
4 1/2 yds strips or ribbon for body

Heart Frame

5-Mesh canvas
3 1/2 yds ribbon or strips to frame
11 yds ribbon or fabric strips for body

TIPs: you can pull up loops in the same square as you hook to fill in evenly.
Use "Hook, Loop & Lock" book and instructions in the videos for making ornaments.
