Leaf Coasters Locker Hooking Pattern

by Theresa Pulido

Materials For Each Coaster:

6x7" piece of 5-mesh canvas

*16 yards 1/2"W Color Crazy fabric strips (For Body)

*7 yards 1/2"W Color Crazy fabric strips (For Framing)

(Turquoise & Chartreuse Lime, Amber
& Marigold used in featured designs.

Black medium to heavy weight yarn for locking medium

6x7" piece of coordinating fabric for backing

Locker hook

#13 tapestry needle

Quick Grip permanent, fast-drying adhesive or similar

Scissors

Permanent marker

Instructions:

Place canvas over template and trace outline of leaf with permanent marker. Cut out shape.

Secure edges with a bead of permanent glue. Let dry. Frame the edges by whip stitching and locker hook the outline.

Using main body color, locker hook the design by filling in outline.

Finish by sewing in tails.

Repeat above for each canvas.

Cut coordinating fabric with using the template. Trim 1/8" off edge and attach with a bead of glue around the edges.

*If you locker hook loosely, add another yard or two of fabric strips.

For additional illustrated locker hooking instructions, refer to the "Hook, Loop, & Lock" book.

TIP: Reverse the outline to create a mirror image of the leaf shape.
