BOTANICAL SKINCARE

## *Intensive Night Cream 50g*

Assist the skin's natural overnight repair process with this intensive botanical formula.

Enriched with Carrot Root extract and Pea Polypeptide actives, this moisturising night cream promotes skin firmness and elasticity, leaving the skin feeling soft and relaxed, ready for a night of rest and repair.

Potent antioxidant-rich extracts of Pomegranate, Grape and Green Tea help to minimise the appearance of fine lines, while Passionflower Seed Oil and Shea Butter pamper and moisturise the skin for a more radiant complexion.

Infused with an uplifting blend of essential oils, this botanical formula delivers a truly revitalising experience.

### KEY INGREDIENTS

- **Carrot Root Extract** – Extracted from the roots of the carrot plant this botanical is rich in  $\beta$ -carotene and helps to keep the skin soft and elastic.
- **Pea Polypeptides** – Extracted from the humble Garden Pea (*Pisum sativum* L.) this botanical active promotes skin firmness and elasticity.
- **Green Tea and Pomegranate Extracts** – These potent anti-oxidant botanicals promote the appearance of younger looking skin and help to reduce the appearance of lines and wrinkles.
- **Passionflower Seed Oil** – This exotic plant derived emollient is rich in essential Omega-6 fatty acids that are important to the barrier function of the skin, and help to retain moisture.

### DIRECTIONS

Gently massage into face, neck and décolletage before bed. Apply more generously to areas of concern.
