BOTANICAL SKINCARE

Precious Facial Oil 30ml

Replenish and revitalise delicate skin with this nourishing botanical oil.

An exclusive blend of exotic oils, including Rosehip, Jojoba, Olive Squalane and Camellia, deeply moisturise and revive dry, normal and mature skin.

Boosted with Marula and Prickly Pear Seed Oils, rich in natural antioxidants and omega fatty acids, this precious blend improves moisture retention, skin texture and elasticity.

KEY INGREDIENTS

- **Marula Oil** – Rich in antioxidants and Omega-9 fatty acids, the skin conditioning oil extracted from the kernels of the African Marula tree is very beneficial for dry skin and helps to maintain the skin's moisture barrier.
- **Prickly Pear Seed Oil** - The quick absorbing oil extracted from the seeds of the Prickly Pear cactus, is rich in essential fatty acids and antioxidants and is ideal for dry, mature skin types and helps to moisturises, soften and restore elasticity to the skin.
- **Olive Squalane** – Derived from olives this botanical lipid helps to soften and moisturise the skin. It offers gentle non-greasy emollient properties and is helpful for improving the appearance and feel of dry skin and helping to restore the skin's suppleness.
- **Camellia Oil** – Extracted from the seeds of the Camellia Olifera plant, this emollient oil is rich in essential fatty acids and helps to improve moisture retention and improve skin texture and elasticity.
