BOTANICAL SKINCARE

Radiant Eye Cream 15g

Refresh and brighten tired eyes with this rejuvenating botanical formula.

Boosted with Bearberry extract and essential oils, this restorative eye cream promotes even skin tone and a radiant complexion.

Shea Butter and Aloe Vera moisturise and rejuvenate the delicate eye contour, while potent antioxidants help to smooth the eye area and minimise the appearance of fine lines.

KEY INGREDIENTS

- **Bearberry extract** – This highly effective plant-based active promotes a more even skin tone and radiant complexion around the eye area.
- **Aloe Vera** - Extracted from the succulent plant, this botanical acts as a gentle moisturiser and skin hydrator helping to refresh the delicate skin around the eye area.
- **Shea Butter** – This skin conditioning butter offers rich emollient properties for overnight nourishment.
- **Botanical Extracts** – An exclusive blend of Witch Hazel and extracts of Yarrow, Coltsfoot, Birch, Rosemary, Nettle, Sage, and Horsetail offer gentle astringent properties to the skin.

DIRECTIONS

Apply a small amount to the eye area and gently pat into the skin morning and night. Fast absorbing for immediate make-up application.

For external use only. In the unlikely event of irritation, discontinue use.

NO PARABENS | **NO ANIMAL TESTING** | **VEGAN FRIENDLY** | **ECO RESPONSIBLE**
