

HYALINE GLASS CLEANER

plant based

A naturally derived spray cleaning concentrate for glass, windows and mirrors.

- Creates a crystal clear sparkle that inhibits misting and fogging.
- Reduces finger marking and re-soiling.
- Removes residues, gums, dust and road grime with ease.
- Leaves treated surfaces with a unique polished effect.
- Excellent for vehicle windscreen reservoirs.
- Concentrated formula delivers exceptional economy and reduces landfill potential.

FEATURES	BENEFITS
Powerful plant based action	<ol style="list-style-type: none"> 1. Plant based ethanol solvent replaces ammonia and hydrocarbon solvents that are commonly used in ordinary window cleaners 2. Penetrates and removes all soils, sticky residue, dust, gum and road grime
Unique polymer additive	<ol style="list-style-type: none"> 1. Creates a crystal clear sparkle 2. Inhibits misting and fogging 3. Reduces finger marks and re-soiling 4. Leaves a unique, polished effect on all hard surfaces
Concentrated formula	<ol style="list-style-type: none"> 1. Dilute with water before use and count the savings 2. Reduces landfill potential
Eco-responsible	<ol style="list-style-type: none"> 1. Contains no ammonia, phosphates or nitrates 2. Reduces potential for algal blooms and marine toxicity 3. Biodegrades quickly; a better choice for a healthy Australia

CREATES FOG-FREE SPARKLE | REDUCES RE-SOILING POTENTIAL | AMMONIA FREE

DIRECTIONS FOR USE

For best results, do not use when glass surface is hot.

CONCENTRATE ONLY - Glass and mirrors - dilute 200mL in 500mL spray bottle and fill with water. Spray over surface and wipe off using a clean, lint free cloth. Buff to a crystal clear finish using a clean, dry cloth.

Vehicle reservoirs - add 6mL per Litre of water.

EXPRESS - Glass and mirrors - Spray over surface and wipe off using a clean, lint free cloth. Buff to a crystal clear finish using a clean, dry cloth.

NO AMMONIA NO PHOSPHATES NO NITRATES

ATTENTION – Express Range bottles are not designed for refilling. These bottles are fully recyclable and any attempt to refill them may compromise the stability of the bottle. Tri Nature will take NO responsibility for any consequences that arise from customers refilling these bottles, and all product guarantees will become void.

* Number of Litres based on a 1Lt bottle at a usage of 200mL per 500mL spray bottle.

Contains: Water, Ethanol, 1-Methoxypropanol, PEG-12 Dimethicone, Silicone Glycol Copolymer, Acrylic Copolymer, Dye.
