

The Life In Your Food!

PuraDyme's Cleanse is a superior blend of specialized herbs to gently cleanse, rebuild, strength, and renew the entire intestinal tract. Proper health is a daily responsibility and absolutely critical to continued physical health and well-being. These specially selected natural ingredients have a long history of helping to soothe and heal the digestive tract while improving bowel function.

Cleanse comes in a 10oz Powder or in Capsule form, for your convenience!

Why Cleanse?

An estimated 98% of all disease originates in the colon. Your best line of defense against disease is through regular and daily elimination of harmful toxins found in the colon.

Now, thanks to revolutionary technology and PuraCleanse, you can help your body to safely and comfortably detoxify!

Why Cleanse?

Harmonious to the body, Cleanse acts as "healing food" for your bowel, making it one of the best complimentary healthy lifestyle products available today!

Specially selected ingredients are blended together to stimulate circulation, soothe nerves, and promote healthy elimination of waste from the colon both easily and efficiently!

PuraDyme
A New Leaf on Life

By removing waste daily, we can help our body combat the 98% of disease from the colon!

Psyllium Husk and Peppermint, two of the key ingredients in Cleanse, have both been linked as key components in the treatment of irritable bowel syndrome!

Psyllium Husk acts as a sponge in the intestinal tract. It swells as it absorbs toxins and waste material by creating a soft mass that can easily pass through the colon.

Additionally, Psyllium Husk is a food source for friendly flora!

Peppermint, also known for its healing properties, is also antispasmodic, relieving nervous irritability and reducing muscle spasms, which are very important in the treatment of irritable bowel syndrome!

Both Cleanse Powder and Capsules contain high quantities of the following ingredients:

Hibiscus Flower: Supports upper respiratory health, alleviates occasional constipation, and promotes proper circulation!

Psyllium Husk: Treatment of irritable bowel syndrome & nourishes flora!

Peppermint Leaf: Antispasmodic

Licorice Root: Digestive abnormalities, inflammation of digestive tract.

Cascara Sagrada: Constipation & Detoxification

Siberian Ginseng: Chronic stress/fatigue, Immunostimulant, Adaptogen

Corn Silk: Diuretic for chronic inflammation
