Island Grillstone™ Barbeque Accessory

Safety and Instruction Manual

MAILING ADDRESS:

Wren Imports, Inc. | Box 355 | 1153 Frances Road | Merville, BC, Canada VOR 2M0

INTRODUCTION

Congratulations on your purchase of the Island Grillstone™ barbeque accessory - the NEW barbecue accessory that allows you to experience the ancient art of stone grilling. Cooking on natural stone over an open flame has been practised for centuries by many cultures, including the Mongols, Egyptians and Vikings! Now this ancient art has been adapted to the modern barbecue for a healthier, gourmet style of outdoor cooking. The Island Grillstone™ barbeque accessory is the perfect cooking surface for delicious meat, seafood and vegetables. Visit www.islandgrillstone.com for recipes.

Features of the Island Grillstone™ barbeque accessory:

- · Flavour enhancement
- Easy to use
- · Easy to clean
- · Healthier method of cooking
- . No more flare-ups causing burnt food
- · Food won't slip through the grates

The Island Grillstone™ barbeque accessory is a stone slab of natural porous volcanic rock cut to fit most barbeques. The Island Grillstone™ barbeque accessory measures 14" x 14" x ¾" (35.6 cm x 35.6 cm x 1.9 cm) and weighs 13.5 lbs (6.2 kg).

IMPORTANT

- Be certain to completely read all instructions before use, and pay special attention to Safety Precautions.
- · Read all Safety Precautions before use to ensure safe handling of product.
- Read Instruction Manual before use to ensure proper handling of product.
- Keep this manual for reference. Instructions and Safety Precautions are also available on our website www.islandgrillstone.com
- Follow the instructions shown in this manual carefully. Failure to do so may result in personal injury and damage to surroundings.
- Following instructions in this manual will prolong the life of your grillstone.

⚠ SAFETY PRECAUTIONS

⚠ DANGER! DO NOT TOUCH THE GRILLSTONE WHILE HOT!

- Do not leave utensils on the cooking surface while hot.
- The grillstone is not intended for use by children.
- Do not leave infants, children or pets unattended near the hot grillstone.
- The grillstone is not a toy. Do not allow children to play on or around the Island grillstone.
- Do not use this product for any purpose other than intended use.
- Do not use this product on stove tops or in ovens. The grillstone is intended for use on outdoor barbeques only.
- Do not use pots or cookware on the grillstone.
- Do not attempt to handle grillstone while hot.
- Do not touch the grillstone to see if it is hot.
- · Use barbeque mitts while cooking.
- Use barbequing tools with long heat-resistant handles.
- Do not immerse hot grillstone in cold water or set on a cold surface such as a granite countertop.
- Handle grillstone only when cool. Grillstone may take more than one hour to cool completely.
- · Keep flammable objects away from hot grillstone.
- When cooking, ensure the grillstone is in a level position at all times.
- · Always carry cool grillstone with two hands.
- Do not drop grillstone.

SEASONING INSTRUCTIONS

The Island Grillstone™ barbeque accessory can be seasoned like any cast iron pan. Over time, a shiny black patina will cover the surface of the Island Grillstone™ barbeque accessory. This natural coating enhances flavour and provides a non-stick coating when foods are cooked over high heat. Once the Island Grillstone™ barbeque accessory has been seasoned, it should not be cleaned with soap or the flavour enhancement and non-stick properties will be lost.

WARNING: Read complete Seasoning Instructions before beginning. Follow steps completely. Failure to do so may cause injury or damage to product and surroundings.

- 1. Initial use: Wash the grillstone with soap and water. Allow to dry completely.
- 2. Brush the entire surface of the grillstone with olive oil. Coat the entire surface.
- 3. Carefully place grillstone on cold grilling surface, ensuring surface is level.
- 4. Ignite barbeque.
- 5. Allow barbeque to reach cooking temperature. Caution: Heating stone too quickly may cause stone to break.

- 6. Turn barbeque off. Allow barbeque and grillstone to cool completely.
- 7. Let grillstone cool completely before turning over. Caution: Grillstone retains heat. Keep flammable objects away from hot grillstone.
- 8. Turn the fully cooled grillstone over. Surface is now ready to use. Proceed to Cooking Instructions.

COOKING INSTRUCTIONS

The Island Grillstone™ barbeque accessory holds the natural flavour, moisture and nutrients in the food and prevents flare-ups that cause burnt food. Food will not be lost through the grate. The even heating surface helps to cook meat perfectly. Add marinades and sauces without flare-ups or loss.

ATTENTION: Prior to cooking, ensure the Island Grillstone™ barbeque accessory has been thoroughly cleaned and seasoned. Refer to Seasoning Instructions.

- Alternate sides of grillstone each time you cook ensuring both sides have been previously seasoned as per Seasoning Instructions.
- 2. Carefully place seasoned grillstone on cold grilling surface, ensuring surface is level.
- 3. Ignite barbeque.
- 4. Allow barbeque to reach cooking temperature. Caution: Heating stone too quickly may cause stone to break.
- 5. Cook food according to your style.
- 6. Turn barbeque off. Allow barbeque and grillstone to cool completely.
- Let grillstone cool completely before turning over. Caution: Grillstone retains heat. Keep flammable objects away from hot grillstone.

CLEANING INSTRUCTIONS

Caring for and cleaning the Island Grillstone™ barbeque accessory is easy and requires minimal effort.

Alternate sides of grillstone each time you cook. The heat of cooking will clean the underside of the grillstone and prepare it for
cooking next time. This repeated cooking and cleaning cycle will allow your grillstone to develop a natural non-stick coating that
enhances flavour.

CAUTION: Do not clean grillstone with cleansers. If you must implement a cleaning tool, use a grill brush to loosen residue then wipe off with paper towel.

HANDLING AND STORAGE INSTRUCTIONS

ATTENTION: Follow Handling and Storage Instructions to prolong the life of the Island Grillstone™ barbeque accessory.

- Always handle the grillstone only when completely cool.
- · Always carry the grillstone with two hands.
- Do not drop the grillstone.
- · Placing grillstone on any surface other than the grilling surface may cause damage.
- Store grillstone on barbeque grilling surface.

QUALITY ASSURANCE

The Island Grillstone™ barbeque accessory is batch-analyzed by an independent certified testing facility (ISO 9001:2000) to determine elemental makeup.

DISCLAIMER

The Island Grillstone™ barbeque accessory is a natural stone. Natural stones are products of nature and as such may have small cracks, blemishes or voids which are inherent properties in stone and are not to be considered defects. Variations in colour, shape, surface texture and tile thickness can vary.

30 DAY GUARANTEE

Your Island Grillstone™ barbeque accessory is guaranteed to be manufactured without defect. If the product is defective, it can be replaced. Please see Replacement Policy.

REPLACEMENT POLICY

If purchased online, please go to our website at www.islandgrillstone.com, contact our Customer Care department and ask about our 30 Day Guarantee. If purchased at a retail outlet, please inquire with retailer about their return policy.
