

LOO POTTY

joovy®

The Joovy Loo Potty Chair's low profile gets kids in the correct position to relax their tummies and get to goin'. This with the no-slip ring on the bottom also means it's really hard to tip over — no more mess.

The splash guard makes it easy for little boys to sit on the potty and pee but doesn't sit so high that kids can't hop on the potty.

We're Joovy, and we like to think we've thought of everything. Get the Loo Potty Chair so that when they have to go, you're good to go.
