

# SERENE SWING

## PRODUCT DESCRIPTION

The bebe care Serene Swing sways from side to side. It features five swing speeds to suit your baby's needs. Soothe your baby with one of the five built-in sounds; simply pair with your smartphone with the Bluetooth function.

The seat also features three timing modes and a reclining seat to allow the baby to lie back and relax or sit up and play. All seat fabrics are easily removed and machine washable. The bebe care Serene Swing is a perfect solution to give you extra free-hand time.
