

Maya

Travel Bassinet "Storm Cloud"
Model # 038002-356

**IMPORTANT:
RETAIN FOR FUTURE REFERENCE,
READ CAREFULLY**

Read all instructions before assembly and use of the travel bassinet.
Keep instructions for future use.

⚠ WARNING ⚠

BEFORE ASSEMBLING THIS TRAVEL BASSINET, READ AND UNDERSTAND THE INSTRUCTIONS.

Do not use this product when infant begins to push up on hands and knees or has reached manufacturer's maximum weight of 9 kgs, whichever comes first.

Do not use mattress other than the one supplied by the manufacturer. Incorrect mattress can cause death.

Use only accessories as recommended by the manufacturer.

Ensure the top rails and base are fully locked.

Stop using this travel bassinet if any part of the cot is broken, torn or missing.

KEEP INSTRUCTIONS IN A SAFE PLACE FOR FUTURE REFERENCE.

Use only accessories as recommended by the supplier.

Ensure the top rails and base are fully locked.

Failure to follow warnings and instructions could result in serious injury or death.

DO NOT use your folding cot if any parts are torn, missing or broken.

Contact the manufacturer for replacement parts or instructions if they are required. Never use substitute parts.

Keep children away while assembling/disassembling the cot.

DO NOT leave anything on the folding cot (such as toys) that provide a foothold.

DO NOT use the folding cot near naked heat sources, bar heaters, open fires or exposed flames.

Keep the folding cot clear of trailing cables and hanging cords.

Strings can cause strangulation! Do not place items with a string around a child's neck, such as hood strings or pacifier cords. Do not suspend strings over a bassinet or cradle or attach strings to toys.

Keep medication and small items that a child could choke on, away from the cot.

DO NOT use the folding cot if fabric or padding on the side rails or end rails has been bitten through.

FALL HAZARD – To prevent falls, **DO NOT** use the folding cot once the infant has reached the manufacturer's maximum weight of 9kgs or can sit up unaided.

SUFFOCATION HAZARD – Infants can suffocate;

- In gaps between an extra pad or mattress.
- In soft bedding.

NEVER leave your child unattended.

Use this product with only one child at a time.

To reduce the risk of Sudden Infant Death Syndrome (SIDS), paediatricians recommend healthy infants be placed on their backs to sleep, unless otherwise advised by your physician.

Congratulations on your purchase of the **Maya Travel Bassinet "Storm Cloud"**

This product has been designed and developed with safety, comfort and functionality in mind. Please take the time to read this manual carefully before using this product and keep it in a safe place for future reference.

There are no accessories recommended for use with this Childcare Travel Bassinet.

To assemble Travel Bassinet...

1

1a. Grasp both ends of the travel bassinet frame assembly.

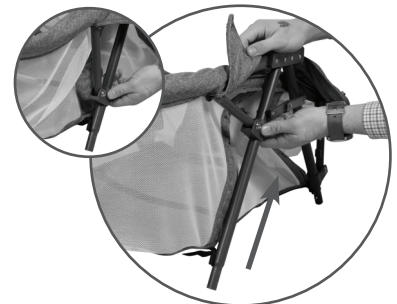

2

2a. Extend ends outwards and upwards to open bassinet.

3

3a. Push slider up until it clicks into position.
3b. Repeat for all remaining legs.

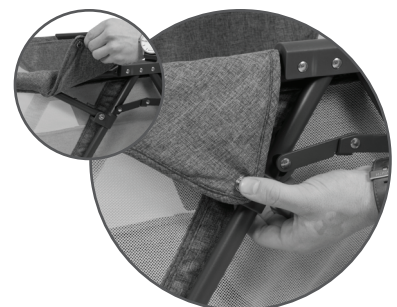

4

4a. Ensure stabiliser bar clicks into position and is secure.

5

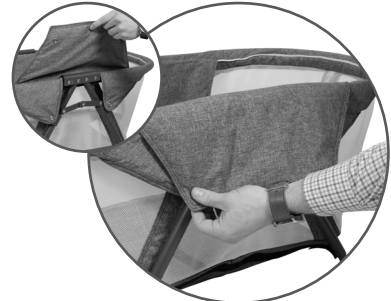

5a. Fold material corner flap over top bar and secure with press stud.
5b. Repeat for all remaining corner flaps.

To assemble Travel Bassinet continued...

6

- 6a. Fold material top flap over corner flaps and secure with two press studs.
- 6b. Repeat for other remaining top flap.

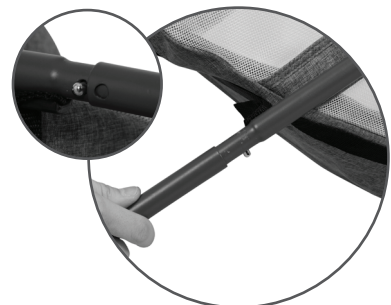

7

- 7a. Align one bottom leg tubing with top leg tubing on bassinet assembly.

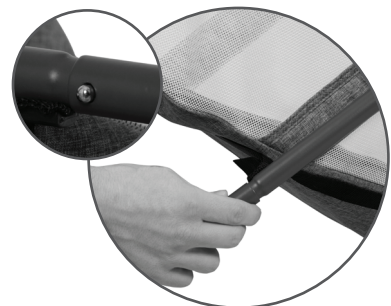

8

- 8a. Insert bottom leg tubing into top leg tubing on bassinet assembly.
- 8b. Ensure that the locking pins are facing downward (see photo example)

9

- 9a. Ensure that the locking pins click into place.
- 9b. Repeat for remaining leg.

10

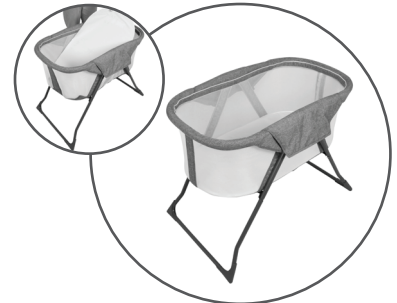

- 10a. Your travel bassinet should now look like the example opposite.

To assemble Travel Bassinet continued...

11

11a. Insert baseboard into travel bassinet.

12

12a. Insert mattress into travel bassinet.

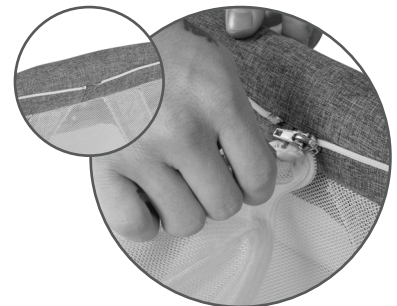

12b. Ensure that the Velcro strips are facing down and are secured to the aligning Velcro on the already inserted baseboard.

To assemble Mosquito Net...

1

1a. Align zip on mosquito net with the beginning of the bassinet zipper track as shown in opposite image.

2

2a. Zip mosquito net to bassinet.

2b. Ensure that the seams on the mosquito net run across the bassinet as shown in the opposite image.

The travel bassinet is now ready for use.

To open Mosquito Net...

1

1a. Unzip the middle zipper track as shown in image.

2

2a. Gently push the mosquito net down to open completely.

To dis-assemble Travel Bassinet...

1

1a. Unzip the middle zipper track as shown in image.

2

2a. Gently push the mosquito net down to open completely.

To dis-assemble Travel Bassinet continued...

3

3a. Remove mattress from the bassinet.

4

4a. Push locking pins in to release bottom leg tubing. Pull down to remove leg.

5

5a. Repeat for other side.

6

6a. Disengage top flap press stud from corner flap. Repeat for other remaining top flap.

7

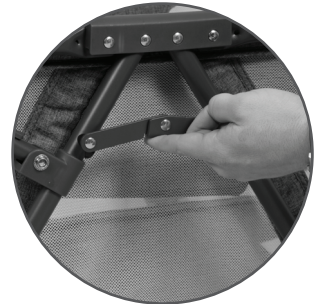

7a. Disengage corner flap press stud from bassinet frame assembly. Repeat for remaining corner flaps.

To dis-assemble Travel Bassinet continued...

8

8a. Push stabiliser bar up to disengage.

9

9a. Push locking tab up to release and push slider down until completely disengaged.

10

10a. Repeat for remaining locking sliders.

11

11a. To collapse bassinet, grasp both ends of travel bassinet frame assembly. Push the bassinet frame down and inwards to fold.

12

12a. Insert components into supplied travel bag for storage or transportation.

Cleaning

This product has been designed and developed with safety, comfort and functionality in mind. Please take the time to read this manual carefully before using this product and keep it in a safe place for future reference.

Maintenance

Always check parts regularly for tightness of screws, nuts and other fasteners – tighten or replace if required. To maintain the safety of your travel bassinet, seek prompt repairs for bent, torn, worn or broken parts. Use only those parts and accessories approved by **CNP Brands**.

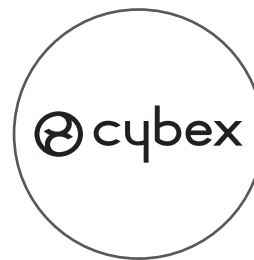

If you have any difficulties in assembling the travel bassinet, please contact our Service Department.

In Australia, contact **CNP Brands on 1300 667 137**, in New Zealand contact **Wainhouse Distribution on 0800 567 5000**.
