

Product Description

The perfect ride-on platform giving your child the option to sit or stand, the **BuggyBoard® Maxi+** also includes a foldaway saddle. This design-friendly saddle can be neatly tucked away to allow for standing room, or folded up for a safe seat.

Features

- **Fits any buggy** - Our patented Lascal Easy-fit™ connection system allows the BuggyBoard® to fit to every type of buggy.
- **Saddle** - Giving your child the option to sit or stand, the BuggyBoard® Maxi+ also includes a foldaway saddle. This design-friendly saddle can be neatly tucked away to allow for standing room, or folded down for a safe seat.
- **Safe and secure** - A large anti-slip surface, side protection frame and a firm, comfortable platform keeps your child safely on-board
- **BuggyBoard® Maxi** provides security for your child in crowds and high traffic areas. When your child is too tired to walk, or when you are in a hurry, the BuggyBoard™ Maxi makes it easy for both of you.
- **Absolute maneuverability** - Big wheels and a wide platform gives you all the foot room you need and makes it easy to walk behind the BuggyBoard® Maxi.
- **Quick release** - Connect and disconnect the board with just one push of a button.
- **Super-smooth suspension** - The Max-COMFORT™ suspension system helps you glide over bumps and kerbs
