

# Falls Bath Toy

**munchkin**  
it's the little things.

## CREATE A DOWNPOUR!

Your child will absolutely fall for Falls™! Who said all the bathtime fun has to come from in the tub? Why can't it be ON the tub (walls, that is)? This creative bath toy comprises 1 cup to scoop and pour water, as well as 3 toy cups which the water is to be poured through (2 come with spinner wheels, and 1 is a straining cup). The toy cups simply stick to the wall via suction cups, which means you can line them up however you'd like. Arrange the cups vertically and pour from the top for big-time waterfall fun! Your little one won't be able to get enough, and this toy is excellent at developing both motor skills and hand-eye coordination. Tiiiiimberrrrrrr!
