

Rinse™ Shampoo Rinser

munchkin
it's the little things.®

TEAR-FREE TUB TIME.

Is bathing your baby a little bit like trying to catch a slippery fish? Not to worry, there's a simple way to keep soap and water out of your little squirmer's eyes (and rinsing challenges out of your hair)! This convenient Rinse™ shampoo rinser features a soft, contoured rim that gently forms to your child's forehead, ensuring their eyes stay dry, plus an easy-grip handle so you can hold baby upright with your other hand - making sure shampooing is truly a tear-free affair.

Features

- Keep soap out of your baby's eyes with our flexible shampoo rinsing cup that contours around baby's forehead as you rinse.
- Soft, contouring rim gently hugs child's forehead and keeps soap and water out of eyes
- Solid, easy-grip handle design helps prevent mold and mildew
- Unique teardrop shape fits on bathtub ledge
- Easy to clean
