

# 4oz C'est Silicone Training Cup with Straw - 1pk (Mint)

## A taste of that bottle-free life.

When it's time to leave the bottle behind, be prepared with the C'est Silicone!™ Training Cup with Straw. Made of 100% food-grade silicone in soft hues, this first cup is easy on delicate gums and easy on your eyes, too. The modern convertible design meets early sippers exactly where they are — going from lidded straw cup to open cup is a breeze. Cheers to cups that pull double duty and make transitions better for all!

### Features

- Two in one design — converts from open cup to straw cup to grow with your child
- Lightly weighted base provides stability from tipping
- A snug fit holds the lid in place for splash-free sipping
- Soft 100% food-grade silicone is gentle on gums and easy for little hands to grip
- 4oz/118ml capacity perfect for water or milk
- Free of BPA, BPS and PVC
- Easy to clean, top rack dishwasher safe
- 6 months +
