## MultiTM Bowls - 4pk

it's the little things.

## You'll be bowled over!

There never seem to be enough bowls in the cupboard with your snack-happy toddler around. Breakfast, lunch, dinner, snacks - a bowl is needed for practically every meal. Is this a familiar problem? You can start building your toddler bowl collection with this convenient four-pack. They're deep with tall sides - great for holding meals or snacks, and perfect for dipping little fingers into self-feeding territory. And with their sturdy, flat bases, these adorable bowls can go from table to high chair and everywhere in between. Matching plates and cups sold separately.
