

Lights N' Music Friends Ball

Yookidoo[®]
celebrating discovery

Roll and crawl with the most entertaining soft musical ball with stars that flash and twinkle and animal friend faces.

Tummy Time Play - Place the ball in front of your baby while he is on his tummy to encourage him to lift his head and reach out towards the ball.

Roll the ball slightly away from your baby and activate it to encourage him to crawl towards it.

Enhance social interaction between friends and family by taking turns and rolling to one another.

Features

- Battery operated motion activated soft lights and music ball.
- Toss, shake, tap or roll to activate the lights and music.
- Twinkly stars light up and flash to the music and sounds.
- Three friendly farm animals with multiple soft textures and crinkly ears.
- Ideal for floor play, or easily connects to stroller or crib with the Yookidoo Fun Link for fun on the go.
- On/off button - for silent play (no lights).
- Especially designed for tiny hands.
