

Ele Fountain Water Show

Yookidoo[®]
celebrating discovery

Welcome to the elephant water show!

This battery-operated elephant bath toy has 4 accessories that create a different fun water effect. The trunk creates a shower, the spinning umbrella turns & sprays, and the trumpet releases 3 different water streams. Put the ball on top of the trumpet to watch it spin around! The fountain draws water directly from the tub, and a handy storage bag for the accessories is also included. Requires 4 AA batteries (not included).

Features

- Fountains of Fun - The trunk creates a shower, the spinning umbrella turns and sprays, and the trumpet releases 3 streams.
- Have a ball - Put the ball on top of the trumpet stream and watch it spin.
- Coordinate the show - Maneuvering the accessories develops fine-motor coordination and demonstrates STEM basics.
- Join the circus! - Enjoy the imaginative play and circus scene.
- Eco-friendly - The fountain pumps water from the tub, so no more waste!
- Handy Storage - Once the show is done, hang the accessories in the storage basket to dry.
