

QBIT+ CS ADAPTER

THE LUXURY TRAVELLER

WITH COT TO GO

ON FRAME

The Qbit+ has all the benefits of its smaller counterpart, the Qbit, but has more premium functions engineered for maximum comfort and convenience. This compact buggy is packed with a list of smart features, including a reclining backrest with a near-flat position suitable from birth, a head hugger and bigger wheels, all offering comfort and convenience from the very start. The spacious seat ensures comfort even on longer journeys. The super-compact fold can be operated using just one hand, leaving the other hand free. It will amaze you that this compact, lightweight city buggy can accommodate all the comfort elements of a full-size stroller. It's built for travelling, from beach holiday trips to trekking over urban escapes. With the optional adapters, the Qbit+ is 3-in-1 travel system ready. Just attach a gb or CYBEX infant car seat or the Cot to Go onto the frame. If you love to travel in your city and beyond, you will love the Qbit+.
