Product Description

The perfect carry cot for parents on the go, the Cot To Go is the latest addition to the gb ultra compact range. This carry cot offers lightweight luxury for newborn and small babies up to approx. 6 months (9 kg) with a full lie-flat position on a soft memory foam mattress. When it's not in use, it folds up into a compact package, so small it's hand luggage compliant on airplanes. The Cot To Go clicks into or out of the Qbit+ or Pockit+ buggy in seconds thanks to memory buttons, and turns them into a 3-in-1 travel system that's suitable from birth - the perfect compact travel solution for cosmopolitans.

Features
