MIRACLES DO HAPPEN.

Let's face it: toddlers are a messy bunch, especially when first navigating sippy cups. Now imagine a world in which drinks didn't spill at all – not in your diaper bag, not on your nightstand, and not even onto your eager-to-learn child. No, it's not a miracle, exactly – it's Munchkin's Miracle® 360° Cup. The first sippy cup invented with both parents and kids in mind, the Miracle® 360° Cup eliminates messes and supports kids' dental health all at once. Drinking from anywhere around the rim, like a regular cup, helps support normal muscle development in a child's mouth. And with no extra spouts, straws or pieces, the Miracle® 360° Cup is easy to use and even easier to clean. We'll say cheers to that!
