

Safe + Smart bottle warmer

babybrezza®

bluetooth
compatible
with FREE app

The Baby Brezza Safe + Smart Bottle Warmer is the only warmer with Bluetooth and two warming modes to safely warm breastmilk and formula. It features a Warm Water Bath to warm or defrost breastmilk, which protects its nutrients, and Steam Heat to rapidly warm formula or baby food. Plus, it offers Smart Bluetooth Control so you can operate the warmer and receive alerts on your phone. BPA-FREE; 1 year limited warranty.

- The only bottle warmer with Bluetooth and two warming modes to safely warm breastmilk and formula
- Steady Warm mode uses a Warm Water Bath to safely warm or defrost breastmilk which preserves its nutrients (unlike most other bottle warmers that use steam heat which destroys breastmilk proteins)
- Quick Warm mode rapidly and safely warms formula and baby food
- Smart Bluetooth Control: Use the free Baby Brezza app to operate the warmer and receive alerts on your IOS or Android phone or use the LCD control panel
- Easy to use – just select your settings and the warmer picks the warming time, alerts you when finished, then automatically shuts off
- Fits virtually all bottles, milk storage bags and baby food jars
- BPA-FREE; 1 year limited warranty
