

Large Milkbar Pillow

milkbar®
the lifestyle pillow™

Product Description

The Large Milkbar® Pillow wraps around the body, providing greater support around you, and has a stabilising adjustable strap to hold the pillow in place. Designed with the assistance of a lactation consultant, Milkbar® Large is not only perfect for feeding one baby, but is also highly recommended for an easier and more comfortable experience with feeding twins.

Features

- Adjustable strap with clip so you can use your arms to support your baby or babies
- Reduce neck, shoulder, arm and back pain when bottle or breast feeding baby
- Designed with the assistance of a lactation consultant
- Zip-off washable cover and washable inner pillow
- 100% cotton, removable cover
- Great for both breast and bottle feeding newborns and infant twins or as a pregnancy support sleeping pillow, travel or kids snuggle pillow
- Supports baby's weight while feeding, reducing neck, back and arm strain
- Elevates baby's head to a comfortable level for feeding and aids digestion
- Helps protect delicate abdominal area after Caesarean Section deliveries
- 100% Australian owned
- Fully washable: - removable 100% Cotton cover - all new polyester washable filling; non-allergenic and odourless
- CAUTION: The Milkbar nursing pillow should only be used while in a sitting position, holding your baby at all times.
