Mini

babybrezza®

The Baby Brezza Formula Pro Mini Baby Formula Mixer is a most advanced way to automatically make a warm, formula bottle instantly. The Formula Pro mini will fit small spaces and is portable for travel. The Formula Pro mini mixes formula and water to the perfect consistency without any measuring, mixing, waiting or fuss! It dispenses 60-300 ml of formula or water only. Works with virtually all formula brands and all bottle types.

BPA-FREE. 1 year limited warranty.

- 30% smaller which makes it great for travel and smaller spaces
- Patented mixing technology automatically mixes formula and water to the perfect consistency without air bubbles every time
- Same formula settings as the Formula Pro Advanced
- Dispenses body temperature formula to the just-right consistency
- Dispenses formula or water only in 30 ml increments from 60-300ml
- Works with virtually all formula brands and all bottle brands and sizes
- Easy to use with all digital controls
- Air-tight formula container makes it more hygienic for formula preparation. It holds approximately 400g of formula
- BPA-FREE; 1 year limited warranty
