

# formula pro<sup>®</sup> advanced (All Black)

Faster. Smarter

The Baby Brezza Formula Pro Advanced Formula Dispenser is a most advanced way to automatically make a warm, formula bottle instantly. The Formula Pro Advanced mixes formula and water to the perfect consistency without any measuring, mixing, waiting or fuss! You can customise your baby's bottle with 3 temperature settings and dispensing 60-300 ml of formula or water only. Works with virtually all formula brands and all bottle types. BPA-FREE. 1 year limited warranty.

- Patented mixing technology automatically mixes formula and water to the perfect consistency without air bubbles every time
- Customize with 3 temperature settings: Room temperature, body temperature, warmer than body temperature
- Dispenses formula or water only in 30 ml increments from 60-300ml
- Works with virtually all formula brands and all bottle brands and sizes
- Easy to use with all digital controls
- Air-tight formula container makes it more hygienic for formula preparation. It holds approximately 600g of formula
- BPA-FREE; 1 year limited warranty
