

BED TIME

Black Out Blind

PRODUCT DESCRIPTION

The bedtime blind is a simple solution to help reduce the disruption to your little ones sleeping habits whilst away from home.

Its innovative use of tiny suckers and stretchy sides allow the bedtime blind to be used on any window up to 140 x 200 cm in size - turning day into night where ever and when ever!

When not in use the whole blind folds away into a compact integrated pouch small enough to fit into your overnight bag, making it the ideal travelling companion.

FEATURES

- Constructed from a black out fabric
- Innovative small suckers keep the bedtime blind securely fastened to the window
- Packs away into an integrated and lightweight pouch that will fit easily into your luggage
- Adapts to most windows up to size of 140cm (h) x 200cm (w)
