

POUNDING BENCH WITH ROLLING BALLS LITTLE FARM FSC

LITTLE DUTCH
— enjoy the little things —

Description

Tik tik tik! Make the chicken lay an egg by hitting the 3 balls in the wooden hammer bench with the hammer. This is a good exercise for your child's motor skills. Have all the balls been hit in? Put the balls back and start again. They will be busy with this for a while!

Features

- **Interactive Play:** The wooden hammer bench encourages interactive play by allowing children to make the chicken lay an egg by hitting three balls with a hammer. This hands-on activity promotes engagement and active participation, enhancing the play experience.
- **Motor Skills Development:** Hitting the balls with the hammer serves as a beneficial exercise for children's motor skills. This feature emphasizes the toy's role in promoting physical development by engaging fine motor skills and hand-eye coordination.
- **Endless Entertainment:** The repetitive nature of the activity, combined with the satisfaction of making the chicken lay an egg, ensures that children will stay occupied and entertained for an extended period. This feature highlights the toy's potential for providing prolonged amusement and engagement for children.
