

SHAPE SORTER LITTLE FARM FSC

LITTLE DUTCH
enjoy the little things

Description

Make sure the farm animals go into this cheerful wooden barn. Find the right shape! The animals can go out through the barn doors. This develops hand-eye coordination and teaches your child to recognize shapes. Fun and educational!

Features

- Cheerful wooden barn: The toy is a cheerful wooden barn designed to accommodate farm animals, providing an engaging and delightful play environment for children.
- Shape recognition and hand-eye coordination: Children are encouraged to find the right shape for the farm animals to fit into the barn, promoting shape recognition skills and developing hand-eye coordination through interactive play.
- Educational value: The toy offers both fun and educational benefits, as it helps children learn to recognize shapes while engaging in imaginative play with farm animals, providing an enriching play experience.
