

# Soft Activity Book Little Farm

**LITTLE DUTCH**  
*enjoy the little things*

## Description

Babies never get bored with this colorful activity book of Little Farm in the shape of a barn. There is so much to discover with the various materials and activities, such as a mirror, rattle, and hidden toys. The soft book also has different labels to touch. This not only stimulates the senses but also helps develop hand-eye coordination.

## Features

- Colorful activity book in the shape of a barn: The activity book is designed in the shape of a barn and features vibrant colors, providing an engaging and visually appealing experience for babies.
- Various materials and activities: The book offers a variety of materials and activities, including a mirror, rattle, and hidden toys, providing babies with opportunities for exploration and sensory stimulation.
- Labels to touch: The soft book includes different labels for babies to touch, enhancing tactile sensory experiences and promoting sensory development. Additionally, it helps develop hand-eye coordination as babies interact with the book's features.
