

# Soft Activity Cube Little Farm

**LITTLE DUTCH**  
*enjoy the little things*

## Description

Exploring on the farm. This super soft activity cube in soft tones will surely arouse the curiosity of your little one. Each side is equipped with a different activity with different textures and shapes that help develop the senses and, of course, provide endless entertainment. The cube can be gripped and twisted and has a mirror for self-discovery.

## Features

- Super soft activity cube: The toy is a super soft activity cube designed in soft tones, providing a gentle and comforting play experience for babies.
- Multiple activities on each side: Each side of the cube is equipped with a different activity featuring various textures and shapes, stimulating sensory development and offering endless entertainment for babies.
- Mirror for self-discovery: The cube includes a mirror, allowing babies to engage in self-discovery as they interact with their reflection, fostering early cognitive development and encouraging exploration.
