

Activity Spiral

Little Farm

LITTLE DUTCH
enjoy the little things

Description

Look, feel, and discover! This fun and entertaining activity spiral will keep babies busy both at home and on the go. Easily attach this practical toy to anything from a crib to a playpen or car seat. It strengthens the senses and stimulates hand-eye coordination. The activity spiral is made of corduroy with cotton and features a small sheep, a cheerful chicken, and a beautiful sunflower. **WARNING!** Attach this toy out of the reach of the child. To prevent possible injury by entanglement, remove this toy when the child starts trying to get up on its hands and knees in a crawling position. Adult assembly required.

Features

- **Interactive Activity Spiral:** Engage and entertain your baby with this delightful activity spiral designed for both at-home and on-the-go fun! With its versatile design, this practical toy easily attaches to a crib, playpen, or car seat, ensuring endless entertainment wherever you go.
- **Sensory Stimulation:** Made of corduroy with cotton, this activity spiral offers a variety of textures for babies to explore, stimulating their senses and encouraging tactile exploration. The inclusion of a small sheep, a cheerful chicken, and a beautiful sunflower provides visual interest and enhances the sensory experience.
- **Developmental Benefits:** As babies reach, grab, and interact with the dangling toys, they strengthen their hand-eye coordination and fine motor skills. This interactive toy fosters early developmental milestones while keeping little ones engaged and entertained.
- **Safety Precautions:** It's crucial to attach this toy out of the reach of the child and follow the warning guidelines provided. To prevent the risk of injury by entanglement, remove the toy when the child starts trying to get up on their hands and knees in a crawling position. Adult assembly is required, and it's important to keep this information for future reference to ensure safe playtime for your little one.

Overall, the activity spiral offers a convenient and stimulating way to keep babies entertained and engaged, promoting sensory exploration and developmental growth both at home and on the go.
